No new Academic matters at this point

6. Non-Academic Matters

No New Non-Academic matters at this point but all other matters are still being worked on.

7. UGM Review

Looked at the minutes and briefly discussed what we looked at during the meeting.

MISU Vice President expressed that everyone is invited to the UGM's.

Discussed the staff-student forum, background, dates, and feedback.

Discussed the Active Travel measure and feedback on the request that was put in against the motion.

Sabbatical and Part-time officers gave reports.

MISU Vice President stated that there will be another UGM at the end of the semester and that there will also be 2 in the next semester.

8. Any Other Business

- a. **Thurles:** Buildings and estates have come back and said that all requests are possible.

Lack of price lists in the ref (canteen) was brought up.

- b. **Limerick:** followed up with building and estates for the Limerick campus also.

Update on the Music lecture that was cancelled with no proper notice, MISU President contacted the Education office, and they are looking into this as there is a protocol with cancelling lectures.

Food prices were taken to the executive college team, it was expressed that MasterChef are contracted with MIC until 2025.

Students have noticed another rise in prices- MISU Vice President requested that students keep receipts documented if possible.

9. Date & Time of Next Meeting

Wednesday 16th of November at 6PM.
