Part - Time Advocacy  
Officer

## About Me!

Hi everyone! I'm Chloe a 3<sup>rd</sup> Year BA in Ed, Business and Religion student. Most of you already know me, from open days, and out and about especially if you are on the Thurles campus. I'm ready to step into this new role to ensure the voice of all students remains at the heart of the Students' Union within this new system .

## Why I'm running

I'm running for Part-Time Advocacy Officer because, as we transition into these new roles, we cannot afford to let the Thurles campus become an afterthought. My mission is to ensure that "Student Representation" means representation for all MIC students, whether you're based in Limerick or right here in Thurles.

## What I will do for You

**Thurles Integration:** I will ensure that every new initiative, event, and service launched by the SU is "Thurles-ready" and accessible to us, not just an afterthought.

**Stronger Communication:** I'll bridge the gap between campuses, ensuring that Thurles and Limerick students have the same access to for example career services/mental health supports.

**Friendly Face:** As well as all the nitty gritty stuff I hope to be a friendly face for all. College life is so much easier when know that there is someone you can turn to when you need help with anything
